

Preferred Service Provider Listing Agreement

I am interested in becoming a Partner with The Kelly Domaille Team and advertising my business on your web site under the Preferred Service Provider link. I understand there are two advertising options available; one free listing option and one pay listing option.

Please consider adding my business listing to your web site. I would be interested in the following advertising option:

- The '**Basic Display**' option allows for a continuous *FREE* single-spaced regular type, non-bold listing which displays the following information:

(Owner Name)
(Company Name)
(Company Address)
(Company Phone Number)

- The '**Enhanced Display**' option offers a bold type display with linked email addresses, web site URL and color logo for \$50/year displaying the following information:

(Owner name)
(Company Name)
(Company Address)
(Company Phone Number)
(Email address)
(Website Address)
